These petitions are filed for reviewing the judgment. We have not made any findings regarding merits of the contentions in the writ petition but only refused to interfere into the merits as it is not for this Court to decide the location of the Police Station. We only held that if petitioner is aggrieved, he can file a representation before the Government and it is for the Government to decide where Police Station is to be located. Summary of statements made by the respondents is not a ground for review. No grounds are made out to review the judgment and hence these review petitions are dismissed.
